SUNRISE OPERATIONS, LLC ACKNOWLEDGEMENT / NOTICE OF SRO POLICIES

VESSEL: G-2

DATE: 9/14/2023

I, Raymond E Tesson, as a crewmember on an SRO crewed vessel, understand that I have certain responsibilities relating to insuring compliance with various regulations and policy. I acknowledge that I have been given notice that SRO's Policy regarding drugs, alcohol and contraband absolutely prohibits the following items on board SRO crewed ships:

- Alcohol - Beer, wine or spirits of any kind.
- Drugs/Narcotics - Controlled substances for which you do not have a **current** medical prescription.
- Contraband - Smuggled goods not declared to US customs or items that violate the laws in the country where the ship is moored.
- Weapons - Guns or sheath knives.

Further, I understand that any **introduction, sale, transportation or use of controlled substances or contraband** at any time will subject me to immediate dismissal and notification of the U.S. Customs, U.S. Coast Guard and/or other appropriate federal agencies.

I understand **SRO's commitment to pollution prevention**, waste reduction, energy conservation and SRO's zero- tolerance policy toward willful violation of environmental policies and regulations and I agree to report any actions I consider to be unlawful. I am aware of the Operating Company Designated Person, and understand that the DPA will hold all reports as confidential.

All SRO **crewmembers are subject to the rest hour requirements** as defined in STCW VII/1. It is incumbent upon all employees to familiarize themselves with these rules. If you have questions ask your dept. head. All crew members shall alert their supervisors at any time they think that they might be approaching the limits of their allowable work hours.

I understand that by accepting employment with SRO, **I am subject to participation in a chemical testing program** administered in accordance with U.S. D.O.T. and U.S.C.G. regulations. I also understand that SRO intends for all employees to work in a safe and harassment free atmosphere. I understand that I must provide and utilize safe footwear at all times. **I agree to utilize Personal Protective Equipment (PPE) at all times.** I also realize that it is my responsibility to the ship and my fellow crew members to alert my supervisor to unsafe conditions and practices. If I feel that I need PPE or assistance to perform a task, it is my responsibility to bring this to my supervisor's attention.

I have read the Operating Company Harrassment Policy and understand that it is my responsibility to promptly report all incidents of preceived or observed harassment to the Captain, or in his absence to the senior officer in charge of the vessel. I also understand that I am authorized to directly report any case of perceived or observed harrassment directly to SRO's Crewing Manager.

By signing below, **I also agree to report all injuries and incidents as soon after the event as possible.** An omission or a delay in reporting impedes SRO's ability to properly investigate and remedy the cause. The absence of an injury report could possibly result in a continuing unsafe condition aboard a vessel and certainly reduces SRO's ability to ascertain the true cause of the accident. For this reason, every employee must report all personal injuries which occur during the course of employment.

My signature below is given freely and without duress.
