SUNRISE OPERATIONS, LLC ACKNOWLEDGEMENT / NOTICE OF SRO POLICIES

VESSEL: M/V GEORGE II

DATE: 09/10/2026

I, Kluck, as a crewmember on an SRO crewed vessel, understand that I have certain responsibilities relating to insuring compliance with various regulations and policy. I acknowledge that I have been given notice that SRO's Policy regarding drugs, alcohol and contraband absolutely prohibits the following items on board SRO crewed ships:

- Alcohol - Beer, wine or spirits of any kind.
- Drugs/Narcotics - Controlled substances for which you do not have a **current** medical prescription.
- Contraband - Smuggled goods not declared to US customs or items that violate the laws in the country where the ship is moored.
- Weapons - Guns or sheath knives.

Further, I understand that any **introduction, sale, transportation or use of controlled substances or contraband** at any time will subject me to immediate dismissal and notification of the U.S. Customs, U.S. Coast Guard and/or other appropriate federal agencies.

I understand **SRO's commitment to pollution prevention**, waste reduction, energy conservation and SRO's zero- tolerance policy toward willful violation of environmental policies and regulations and I agree to report any actions I consider to be unlawful. I am aware of the Operating Company Designated Person, and understand that the DPA will hold all reports as confidential.

All SRO crewmembers are subject to the **rest hour requirements** as defined in STCW VII/1. It is incumbent upon all employees to familiarize themselves with these rules. If you have questions ask your dept. head. All crew members shall alert their supervisors at any time they think that they might be approaching the limits of their allowable work hours.

I understand that by accepting employment with SRO, **I am subject to participation in a chemical testing program** administered in accordance with U.S. D.O.T. and U.S.C.G. regulations. I also understand that SRO intends for all employees to work in a safe and harassment free atmosphere. I understand that I must provide and utilize safe footwear at all times. **I agree to utilize Personal Protective Equipment (PPE) at all times.** I also realize that it is my responsibility to the ship and my fellow crew members to alert my supervisor to unsafe conditions and practices. If I feel that I need PPE or assistance to perform a task, it is my responsibility to bring this to my supervisor's attention.

I have read the Operating Company Harrassment Policy and understand that it is my responsibility to promptly report all incidents of preceived or observed harassment to the Captain, or in his absence to the senior officer in charge of the vessel. I also understand that I am authorized to directly report any case of perceived or observed harrassment directly to SRO's Crewing Manager.

By signing below, **I also agree to report all injuries and incidents as soon after the event as possible.** An omission or a delay in reporting impedes SRO's ability to properly investigate and remedy the cause. The absence of an injury report could possibly result in a continuing unsafe condition aboard a vessel and certainly reduces SRO's ability to ascertain the true cause of the accident. For this reason, every employee must report all personal injuries which occur during the course of employment.

My signature below is given freely and without duress.

Employee's Withholding Certificate
Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.
Give Form W-4 to your employer.
Your withholding is subject to review by the IRS.

OMB No. 1545-0074

2026

Step 1:
Enter
Personal
Information

(a) First name and middle initial Christopher E	Last name Klug	(b) Social security number
Address P.O. Box 1771 Port Townsend, WA, 98368		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) ☐ Single or Married filing separately ☒ Married filing jointly or Qualifying surviving spouse ☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		
Caution: To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than Step 2(b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, Step 2(b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3:
Claim
Dependent
and Other
Credits

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
(a) Multiply the number of qualifying children under age 17 by \$2,200	3(a) \$	
(b) Multiply the number of other dependents by \$500	3(b) \$	
Add the amounts from Steps 3(a) and 3(b), plus the amount for other credits. Enter the total here	3	\$

Step 4:
Other
Adjustments

(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a) \$
(b) Deductions. Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here	4(b) \$
(c) Extra withholding. Enter any additional tax you want withheld each pay period	4(c) \$

Exempt from withholding I claim exemption from withholding for 2026, and I certify that I meet **both** of the conditions for exemption for 2026. See *Exemption from withholding* on page 2. I understand I will need to submit a new Form W-4 for 2027 ☐

Step 5:
Sign
Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

1. Company Vessel Internet Usage Policy

1.1 Introduction

The internet services provided on our vessels have recently been expanded to allow for crew comfort. This Vessel Internet Usage Policy outlines the guidelines and regulations for using the internet on all vessels within the Pasha Hawaii fleet. The purpose of this policy is to ensure the responsible use of internet resources, maintain a secure and productive working environment, and minimize internet costs.

1.2 Policy Scope

This policy applies to all crew members, employees, contractors, and any other individuals who have access to the internet services provided on our vessels.

1.2 Acceptable Use

Limited personal use of the internet is permitted during designated break times and off duty hours, provided it does not interfere with work duties and adheres to the guidelines outlined in this policy. All crew members will access the internet through Wi-Fi only via their personal devices.

1.3 Prohibited Activities

The following activities are strictly prohibited and may result in disciplinary action, including termination of internet privileges and other appropriate measures:

- **Accessing Inappropriate Content** - Users must not access or attempt to access websites that contain pornographic, lewd, obscene, or otherwise offensive content.
- **Illegal Activities** - Any activities that violate local, national, or international laws are strictly prohibited. This includes but is not limited to downloading or distributing pirated software, engaging in hacking or unauthorized access to systems, and any other illegal activities.
- **Excessive Downloads** - Users must refrain from downloading excessively large files that may consume significant bandwidth and impact the performance of the internet connection for other users.
- **Unauthorized Streaming** - Streaming media without actively watching or listening is prohibited since it consumes unnecessary bandwidth. No use of Game consoles such as Xbox or PlayStation is allowed.

1.4 Security Measures

- **Virus Protection** - Users are required to ensure that their personal devices have up-to-date antivirus software installed to protect against malware and other security threats.
- **Data Transfers with external media** - Users must never transfer data from personal devices to Pasha managed computers. This includes USB media and "thumb" drives.
- **Password Security** - Users must maintain strong, unique passwords for their accounts and refrain from sharing their login credentials with others.

- Reporting Security Incidents - Users are encouraged to promptly report any security incidents or suspicious activities related to the internet services to the designated IT personnel or the vessel's captain.
- Use of Wi-Fi - No Pasha owned computers, security cameras, Operational Technology computers, or any other computer related to the vessel shall at any time connect to Wi-Fi.

1.5 Enforcement

- Violations of this Internet Usage Policy will be subject to disciplinary action, which may include but is not limited to verbal or written warnings, suspension or termination of internet access privileges, and other appropriate measures determined by the vessel's management.
- Internet access **will be blocked for at least 3 days** for personal devices that use over **30GB of data during a 7-day period**. This amount would be approximately 17 hours of streaming video, per device, and is based on the maximum allowed bandwidth per device.
- Review and Updates
- This policy will be reviewed periodically to ensure its effectiveness and relevance. Updates and revisions may
- be made as necessary to reflect changes in technology, regulations, or business requirements.
- Acknowledgment
- I acknowledge that I have read, understood, and agree to comply with the provisions outlined in this Internet
- Usage Policy. Failure to adhere to these guidelines may result in disciplinary action.

1.6 Policy Review

- Review and Updates - This policy will be reviewed periodically to ensure its effectiveness and relevance. Updates and revisions may be made as necessary to reflect changes in technology, regulations, or business requirements.

Records shall be kept in the Certificates section of the crew member's personnel record in NS5. A signed copy of the "Internet Usage Policy Acknowledgement" on page 8-A4-3 shall be attached to the Certificate record in the crew members personnel record in NSE.
